## Casinos & Citizenry: A Center City Town Hall Meeting

*The Philadelphia Inquirer* Editorial Board recently advised the state government to “start over” on the matter of slots parlors in Philadelphia. Please attend this town hall meeting and find out how you can help Philly get it right.

**Date:** Wednesday, February 18, 2009

**Time:** 6:45pm - 8:30pm

**Location:** Liberty Resources,  
714 Market Street, 2nd floor

This event is part of Casino-Free’s current campaign, *The Declaration of Independence from Casinos*, which has the goal of educating and emboldening at least one elected official to publicly adopt the position that casinos do not belong in our City.
